A contemporary evening clutch at *$600–1,000*, at Saks and Neiman Marcus.

At Bloomingdale's she's proved the price: TOTEME's $990 T-Lock takes 13 of the top 27 slots. At Saks and Neiman Marcus, the small bags that sell between $600 and $1,000 are Saint Laurent and Prada pouches, and one contemporary clutch holds a slot. Saks lists the same T-Lock at $990; it isn't in Saks's top 44.

CHANNEL WATCH

5 of Bloomingdale's top 20 handbags were *sponsored.*

Down from 7 in Edition 01: Coach's Chelsea twice and Maison de Sabré three times. Coach's #1, the Tabby, got there without paying. In my last role, sponsored product ads on Nordstrom returned around 10X. **No one is buying placement for an evening clutch, six weeks before holiday parties.** A sponsored rank is part demand and part spend, so on this list it counts half.

HOW THE LIST IS BUILT

Sources

Each store's full women's handbag category, sorted by its own Best Sellers sort, US sites, read Oct 26, 2026: Saks Fifth Avenue (44 slots), Neiman Marcus (44), Bloomingdale's (50). Shopbop has no best-seller sort on its bag category and is a side read only.

Scoring

A style earns 1.0 for #1 on a list, falling evenly to near zero at the bottom. Extra versions on one list add a quarter each, up to two. Sponsored slots count half.

Tagging

Each bag tagged for type, material, maker and price. Colorways and sizes of one bag grouped as one style. Marked-down bags use regular prices.

Limits

Edition 01 read curated best-seller pages, so part of the movement since then comes from the method. We publish ranks and our own analysis only. Product links are ShopMy affiliate links.
